

**Statement**  
**of the National Science Section, NSZZ "Solidarność", Poland**  
**on the situation in Belarus**  
September 24, 2020

The National Science Section, NSZZ "Solidarność" stands in solidarity with the People of Belarus and supports their struggles for the truth, freedom and democracy.

We are firmly opposed to all forms of abuse of power, violence and repressions against the peacefully protesting citizens of Belarus.

We appeal to the Belarusian state authorities to start a real dialogue with the society.

**Secretary of the National Science Section**
