Dear Friends,

We are deeply shocked by the terrorist attack in Nice which resulted in the deaths and injuries of so many people. These attacks strike at the fundamental right of all to live in peace.

All members of NSZZ "Solidarność" strongly condemn these attacks on France, on Europe, and firmly oppose terrorism in all forms. We are against these violent acts that generate insecurity, uncertainty, and great pain. Such acts against civilians cannot be justified under any circumstances. What is needed now is that we show our collective strength and uphold the values of freedom.

NSZZ "Solidarność" stands with the people following the senseless devastating attacks and losses of lives and extends its heartfelt condolences to the families and friends of the victims.

Our thoughts and prayers are with the people of France.

With solidarity,

Bogdan Bis  
Deputy President
